WILLIAM MILLS, Chicago Title Insurance Company (CTIC) furnished the following information:

He prepared much of the CTIC cost estimate for the Biarritz Towers project in Miami Beach, Florida. In so doing he met the contractor HIRAM GONZALES, and three of the principals of Biarritz Towers, Incorporated (BTI). These were BERNARD BARKER, MIKE SUAREZ, and first name unknown (FNU) GARCIGA. MILLS recalled that these individuals and their wives were present at the closing. The only other name MILLS had heard or seen in connection with BTI was B. BALLSER which name appeared on one of the early mortgage commitment papers as a guarantor of the loan to BTI.

MILLS considered the Biarritz project a normal one in every respect. When BTI was requested by CTIC to put up an additional $70,000, in a specific manner, they complied promptly and as directed. MILLS stated BERNARD BARKER had a good reputation, and was experienced in real estate.

MILLS stated that without the issuance of a subpoena he could not divulge any confidential matter regarding BTI, such as the identities of stockholders, the kind of security put up by BTI to cover the mortgage loan from Great American Mortgage Investors, or the nature of the security furnished to cover the additional $70,000 cost estimate.

ARTHUR S. MILL, Certified Public Accountant, Main LaFrentz and Company, 445 East 5th Avenue, Anchorage, Alaska, was advised of the identity of the interviewing Agent. He was further advised that an investigation was being conducted concerning the burglary of the Democratic National Committee Headquarters, Washington, D. C. on June 17, 1972. He subsequently furnished the following information:

He is the Treasurer of the Alaska Finance Committee to Re-elect the President. In this capacity he has traveled to Washington, D. C. on two occasions. The first occasion was on April 11, 1972, when he attended a meeting at one of the Hilton Hotels in Washington, D. C. This meeting concerned organizational procedure in setting up local campaign committees. He believes that MAURICE STANS of the Republican Party was responsible for this meeting. At this meeting he became aware of the fact that GEORGE GORDON LIDDY, Committee to Re-elect the President, handled legal matters for local Republican finance organizations. He next traveled to Washington, D. C. for a similar meeting on June 1 or 2, 1972. This meeting was held at another Hilton Hotel in Washington, D. C. He recalls talking to LIDDY at this meeting and discussing legal matters relating to organizational procedure in setting up the local organization. MILL said his business phone number is 272-8541.

Mr. MILL stated that during April, 1972, he spoke to LIDDY on the telephone on at least two occasions concerning registering the Alaska Finance Committee to Re-elect the President. Mr. MILL stated that all of his conversations with LIDDY were directly concerned with compliance of State and Federal laws pertaining to organizations and elections.

Mr. MILL stated that he read an account in the newspaper concerning the break-in of the Democratic Party Headquarters in Washington, D. C. on June 17, 1972. He

FEDERAL BUREAU OF INVESTIGATION

Date of transcription July 13, 1972

Mrs. PATRICIA MARSHALL, Secretary to the Manager, Arlington Tower Associates, The George Washington Building, Suite 1619, 1011 Arlington Boulevard, Arlington, Virginia, advised JAMES MC CORD, McCord Associates, Inc., Rockville, Maryland, on June 2, 1972, made arrangements to rent Suite 1617, The George Washington Building, 1011 Arlington Boulevard, Arlington, Virginia, at an annual rental of $2400. Mr. MC CORD's office manager, WILLIAM SHEA, came to the Arlington Tower Associates rental office around June 6, 1972, and permission was granted to let them move in although lease as of that date was not signed. MC CORD was not available and SHEA told her he was out of town. SHEA took the lease and returned it around June 9, 1972, and the lease was signed by JAMES W. MC CORD, JR., President, and SARAH RUTH MC CORD.

Mrs. MARSHALL identified MC CORD, who leased the suite, as being identical with JAMES W. MC CORD, JR., whose photograph appears on page 10 of the July 3, 1972, issue of "Time," the weekly newsmagazine, in connection with an article, "The Bugs at the Watergate." She said Mr. MC CORD told her he was renting the suite for the purpose of soliciting business in the area in connection with his security business and principally in regard to use of closed circuit television in the security field.

She said to date a total of $567 has been paid, $200 deposit, $200 for first month's rent, and $167 toward the July, 1972, rent. Also leased is garage space #260 and McCord Associates indicated the space would be utilized by one of following vehicles: 1966 blue Pontiac or 1966 black Pontiac, bearing license number 6355 and 6356, state not indicated. She believes the office has a part-time girl employed in addition to Mr. SHEA.

Mrs. MARSHALL said to her knowledge there are no Nationally noted political figures residing or having offices in the Arlington Towers complex.

THOMAS C. RASH, Manager, Production and Sales, Logos, Limited, 5916 Sunnary Road, Bailey's Crossroads, Virginia, telephone 671-1000, who resides 7005 Skibbereen Lane, Springfield, Virginia, telephone 455-2891, advised he first met EVERETTE HOWARD HUNT, JR., eight or nine months ago when HUNT approached Logos, Limited, to do a special education television film spot in connection with handicapped children using JULIE EISENHOWER for the narration.

HUNT told him the film was being done for the Department of Health, Education and Welfare (HEW), and everything was being arranged through ROBERT R. MULLEN and Company, 1700 Pennsylvania Avenue, N. W., Washington, D. C., and he (HUNT) answered to Mr. MULLEN.

Mr. RASH said in connection with the project, he has visited with HUNT or talked to him telephonically on numerous occasions. Some of the visits were at the ROBERT R. MULLEN and Company and some were at the Executive Office Building of the White House.

The visits at the Executive Office Building were either in the offices of BILL BEATICAN or MARK GOODE and related solely to the television filming of JULIE EISENHOWER. He said a doctor from Miami, Florida, who headed the clinic for handicapped children also came up to Washington, D. C., in connection with the filming but he could not recall the doctor's name; the doctor was accompanied by his wife.

HUNT told Mr. RASH that he had $25000 available for the television film and the bills were to be sent to the ROBERT R. MULLEN and Company.

RASH recalls on one of his visits with HUNT between April 14-25, 1972, that HUNT told him he was flying to California on business and from California was flying to Miami, Florida, on business; also, since it fell on a weekend, he planned to do some relaxing.

Mr. RASH said the last contact he had with HUNT was in early June, 1972, when HUNT told him the office of Education, HEW, instructed the film spot could not be released since the feeling was that the film would be vulnerable to political attack so close to the Convention/ Election Time. Accordingly, RASH submitted an invoice to ROBERT R. MULLEN and Company for around $9000 in connection with the project.

RASH said his numerous conversations with HUNT left the impression that HUNT is a very dedicated Republican. He stated HUNT said he planned to attend the National Republican Convention in Miami Beach, Florida. He cited an example that he told HUNT Logos, Limited did a television film on behalf of Senator EDMUND S. MUSKIE and HUNT wanted to see it. However, HUNT did not pursue the matter when told he would not be permitted to see the film.

RASH could not furnish any data on JAMES W. MCCORD, JR., BERNARD BARKER, EUGENIO MARTINEZ, FRANK STURGIS, and VIRGILIO GONZALEZ as noted in the July 3, 1972, issue of "Time," the weekly newsmagazine.

The interview on July 10, 1972, at Bailey's Crossroads, Virginia, was for the purpose of Mr. RASH checking his file on instant matter and clarifying the dates.

MARY DONBURG, 10634 Holman Avenue, was reinterviewed by SA's JOHN M. O'NEILL, JR., and RICHARD H. PASHLEY. She indicated she was aware of the official identities of the Agents, and that the interview was concerning the burglary of the National Democratic Headquarters in Washington, D.C., which occurred on June 17, 1972.

She advised that since the last interview, she had recalled that the name used to bill telephone calls between JACKSON and HUNT was Susquehanna Corporation.

On July 6, 1972, she had lunch with ESTHER KIRBY, Mr. MORTON JACKSON's secretary. ESTHER told her that she did not want Mr. JACKSON to know that she was having lunch with MARY. ESTHER told her that the name Susquehanna Corporation was set up by Mr. JACKSON, not only for purposes of billing, but also to create the appearance of an attorney-client relationship in all contacts between himself and HUNT, which dealt with that file. This was done by JACKSON as a precaution, as it is done by all attorneys, so that if anyone ever questioned JACKSON about Susquehanna or his dealings with HOWARD HUNT, he could invoke the attorney-client privilege. The relationship between JACKSON and HUNT, in fact, dealt with the re-election of President NIXON. This file name was established sometime during January, 1972.

ESTHER told her that the FBI had attempted to question her regarding HOWARD HUNT, but that she had declined to be interviewed. The FBI had interviewed MORTON JACKSON, and during this visit to JACKSON's law office, had told her that she would not be interviewed because it was the policy of the FBI not to interview people in the presence of others.

ESTHER said that HOWARD HUNT was in Los Angeles and stayed at JACKSON's home during the time that JACKSON, one of his daughters, his wife NANCY, and her daughter MARIA LOUISA (phonetic), were traveling to San Antonio to the wedding of NANCY's son. This son lives in Los Angeles in his own home and married a girl from San Antonio. The JACKSONs then

traveled from San Antonio to Mexico City. JACKSON returned to Los Angeles from Mexico City after ten days, and his wife and her daughter went on to Acapulco. During the time HUNT was staying at JACKSON's home, ESTHER saw him as much as she could. Some time while HUNT was staying at JACKSON's home, GORDON LIDDY flew to Los Angeles to bring HUNT some money. HUNT had no identification, no money and no credit cards with him. HUNT had left so fast that he had not even had enough time to get very much money together. Whenever it was that LIDDY came to Los Angeles to give HUNT the money, JACKSON was also in town because he called ESTHER at her home to get the telephone number of a former employee at the law office, KAREN LLOYD, so that GORDON could go out with her while he was in town. She told JACKSON that she did not have the girl's telephone number at home, so JACKSON had to go to his office to get it. They called KAREN but were unable to contact her. On June 30, 1972, KAREN worked one day in ESTHER's place because ESTHER's father had died and she was off work, and JACKSON had just returned from Mexico on June 29, 1972, and needed a secretary. ESTHER advised MARY that HUNT left the JACKSON residence on Thursday, June 29, 1972. ESTHER indicated that she knows where he is at present but would not tell MARY. MARY suspects that he is still in Southern California.

HOWARD HUNT told ESTHER that the FBI was just one step behind him, and he was going to have to leave JACKSON's home because the FBI had talked to some of his friends in Los Angeles.

NANCY JACKSON's son, who lives in Los Angeles, joked with ESTHER about how the FBI was trying to interview her and MORTON JACKSON, and he commented to her how JACKSON had made some telephone calls from his home after closing the door to the room from which he was placing the call, which was unlike him.

ESTHER said that HOWARD HUNT and GORDON LIDDY often used other names when they traveled and when LIDDY was in Los Angeles during the end of April, 1972, he used another name when he registered at the hotel with HUNT.

CONFIDENTIAL

HUNT told her that he and JACKSON were involved with the Committee to Re-Elect the President or a group with a name something like that involving the re-election of the President. He told her that President NIXON does not know anything about this. She said that President NIXON is not involved in any way with the burglary, only people of lower standing in the White House. MARY does not know upon what ESTHER based this last statement.

MARY knows that HUNT was receiving medical attention for a stomach ulcer while in Washington, D.C.

ESTHER has explained to her husband, JAMES DICKSON KIRBY that the reason HUNT made a telephone call to her mother's residence was in an effort to locate JACKSON. She told MARY that she had actually furnished this number to HUNT in the event he wanted to contact her there.

ESTHER said that it was unlikely that the FBI would ever connect her with the JACKSON law firm or HOWARD HUNT since she no longer lived in Inglewood, California, and she had changed her name to DENBERG. She cautioned MARY that if she were contacted, she should say that all she knew about the burglary was what she had read in the newspaper. She told MARY that "we," referring to ESTHER and MARY, knew a lot and should be careful because "we" never know what "they," referring to the FBI or the CIA might do.

At approximately 1:00 p.m., MARY DENBURG telephonically contacted the Los Angeles Office of the FBI and spoke with SA JOHN M. O'NEILL, JR.

DENBURG inquired as to whether the FBI affords protection to individuals who make available information concerning matters under investigation.

DENBURG went on to state that because she is cooperating and providing information to the FBI, she is worried that her physical being may be in danger. DENBURG further advised that at the meeting with ESTHER KIRBY, Secretary to MORTON BARROWS JACKSON on July 6, 1972, KIRBY advised her not to talk with the FBI, and if contacted, not to admit to anything.

KIRBY also stated, according to DENBURG, that "Things can happen to people that talk too much, they can disappear without a trace."

DENBURG was advised to maintain contact with the FBI.

He advised that the names EVERETT HOWARD HUNT, EDWARD J. WARREN, EDWARD J. HAMILTON, GEORGE GORDON LIDDY, GORDON LARIMER and GORDON LEONARD meant nothing to him. He is a surgeon and does not see patients other than to operate on them. He has had no one by any of these names as patients. He cannot recall having received a telephone call from Washington, D. C., from anyone connected with the Republican Party. The only call he recalls having received during the past six months from anyone connected with the Republican Party was a call from a young female soliciting his subscription to a Republican magazine of some kind.

He is not active in politics nor is his wife. He noted that he and his wife have some friends who used to live in Los Angeles who are politically active but these people live in Youngstown.

He was not called by anyone around the time of the establishment of the blockage of North Viet Nam concerning his attitude toward this action.

He was advised that the telephone call in question was made to his residence on May 8, 1972. He advised that the only day during the week that he is home is on Wednesday, and since May 8, 1972, was a Monday, he knows that he did not receive the call if it was placed during the daytime.

MIRIAM L. MEYERS, 2791 Ellison Drive, Beverly Hills, was advised of the official identities of SA's JOHN M. O'NEILL, JR., and RICHARD H. PASHLEY. She was advised that she was being interviewed in connection with an investigation into the burglary of the Democratic National Headquarters, Washington, D.C., which occurred on June 17, 1972.

She advised that she also uses the name Miss MIRIAM NELSON in connection with her occupation as a choreographer. Her husband, JOHN FRED MEYERS, is a motion picture and television producer.

She and her husband were never involved in politics until very recently when they were asked to produce and put on a show in New Hampshire, which was part of the campaign to re-elect the President. Following this show, they were asked to put on the same show in Florida, which they did. During the production of these shows, they had some contact with men involved in the Republican Party. She does not recall ever having met anyone named EVERETT HOWARD HUNT, EDWARD J. WARREN, EDWARD J. HAMILTON, GEORGE GORDON LIDDY, GORDON LARRIER or GORDON LEONARD. (U)

She does not recall having received a telephone call at her home from Washington, D.C., from anyone connected with the Republican Party or any committee for the re-election of President NIXON in May, 1972. She does recall receiving a call around that time from one of the girls who worked in the show as a dancer but she believes this was prior to May, 1972.

She suggested that her husband would probably be able to recall more since he has a better memory for names and dates.

Mr. L. Patrick Gray, Head
Federal Bureau of Investigation
Washington, D. C.

Dear Mr. Gray:

At the risk of being put on your FBI list, I am enclosing the article from the National Observer.

This article has upset me because the public generally has been under the impression that your organization was free of politics. Not so? Most of us these days are having our ideals polluted, and our heroes falling off pedestals. This is not a good state of affairs as I am sure you would agree.

If this letter reaches your desk it would be appreciated if this charge made in the enclosed letter could be brought out into the open and at least commented upon.

Thank you for your cooperation.

Very truly yours,

Lois Rowe

Politics and the FBI Chief

REMEMBER back in May when L. Patrick Gray took over as FBI director and everyone got all happy because Gray opened his door to the press, decided to let women become FBI agents, and said male agents could wear colored shirts and sideburns?

Remember how leading Democratic senators and Presidential contenders refused to utter one word against Gray publicly, even though they all knew what Gray was a committed Nixon loyalist?

Well, the Democrats should have screamed foul—and loud. They may now pay an expensive price for their silence.

Gray's press interviews, colored shirts and sideburns, though certainly appreciated, are essentially cosmetics.

The FBI's investigation of the attempt to bug the Democratic National Committee points up the really serious problems presented when the head of the nation's top investigative agency is a political partisan.

Here we have five men caught with a plethora of illegal bugging equipment inside the Democratic National Committee headquarters. [illegible] was the chief of security for the Republican National Committee and for President Nixon's re-election committee. Another intruder had previously worked on housing arrangements for the Republican National Convention.

Two address books seized by police from the intruders contained the name of Howard E. Hunt, who had previously been hired as a White House consultant by Presidential aide Charles Colson; Colson is known in Washington as Mr. Nixon's "Mr. Fix-It." Hunt and the lawyer first retained by the five intruders work in the office of Robert F. Bennett; Bennett was the principal organizer of the fund-raising committee for President Nixon's re-election campaign.

And who is in charge of investing all this? L. Patrick Gray, ardent Nixon supporter. The same L. Patrick Gray who was promoted from relative obscurity up through the ranks of the Justice Department — from assistant Attorney General, to deputy Attorney General, to FBI chief.

And who promoted Gray and was his mentor? Former Attorney General John Mitchell.

And what is John Mitchell doing now? He is in charge of President Nixon's re-election campaign.

Now we hear, from FBI sources, that within days of the bugging incident Gray and Mitchell happened to stay at the same hotel in California. We hear that Gray refused to let his agents seize White House aide Colson's telephone log. We hear that Gray ordered his agents to wrap up the investigation within 48 hours.

All of which smells.

Gray admits he was at the same hotel as Mitchell but says it was a coincidence and that the two men didn't talk. He denies the other two charges about Colson's telephone records and wrapping up the investigation.

ENCLOSURE

-1-

But even if we take Gray at his word—that his first loyalty is to the nonpartisan service of his country—he should not be head of the FBI.

In these difficult times, with the credibility of all our most precious institutions being increasingly doubted, it is a disservice to the nation to appoint as FBI chief a man whose immediate political history makes suspect his judgment on political investigations. It is not fair to the people of the United States, to the FBI, or to Mr. Gray.

For assuming Gray is telling the truth and conducting a thorough investigation, given his political background, nobody will believe him.

On July 10, 1972, Mr. HANK BRENNER, Personnel Manager, Nice Ball Bearing Company, Henry and Hunting Park Avenues, Philadelphia, Pa., reviewed his records, but could find no reference to the employment of FRANK A. FIORINI. He suggested contacting BILL GRACE, Personnel Manager of Nice Ball Bearing Company, Kulpsville, Pa.

On July 11, 1972, BILL GRACE, Personnel Manager, Nice Ball Bearing Company, Kulpsville, Pa., could find no record reflecting the employment of FRANK A. FIORINI. He spoke with two people who had worked in the machine shop for Nice Ball Bearing, Philadelphia, Pa., in 1942. FIORINI'S name was completely unfamiliar to them. GRACE noted that during World War II employees arrived and departed every day. Very few records were maintained during this period.

On July 11, 1972, Father PATRICK FLAHERTY and Father HENRY, St. Vincent De Paul's Parish, 109 East Price Street, Philadelphia, Pa., reviewed records for Holy Rosary School, which are being maintained temporarily in St. Vincent's basement. This search produced the following information:

FRANK FIORINI, 510 High Street, Philadelphia, Pa., enrolled at Holy Rosary School in 1933. Shortly thereafter his record reflects he "transferred to Hackensack". His name does not reappear on school records until the 1934-1935 school year. His address is again shown to be 510 High Street, Philadelphia, Pa., but during the year, he moved to 5526 Greeves Court, Philadelphia, Pa. Father FLAHERTY recalled about six families living on Greeves Court. The houses were substandard. Occupants were forced to use "Chic Sales" even through the early 1950's. The houses were originally built for the servants of a man named GREEVES. Father FALHERTY does not recall the name FIORINI at all.

FIORINI, whose date of birth is listed as December 9, 1924, maintained poor to mediocre grades at Holy Rosary from 1934-1938. His "traits" are shown to be average to good.

A notation appears with FIORINI'S 1937-1938 school records indicating he was admitted to Germantown Dispensary and Hospital on March 25, 1938, with an infected toe nail. The nail had to be removed.

Mrs. GREEN, Office of the Principal, Germantown High School, perused past records and conveyed the following information:

FRANK A. FIORINI entered Germantown High School, Philadelphia, Pa., on September 8, 1941. He pursued the Mechanical Construction Curriculum in grade 9-B and was shown off the rolls at the end of the semester. His grades reflect he was an above average student. His Intelligence Quotient (I.Q.) score was 92 on the 1941 Philadelphia Mental Ability Test.

FIORINI transferred to Germantown High School from Roosevelt Junior High School. None of his records are at Roosevelt, they would have all been forwarded to Germantown High School and later removed and destroyed.

FIORINI'S parents are shown to be ANGELO and MARY FIORINI, Norfolk, Va. His guardian is listed as Mrs. CATHERINE PARSON, an aunt, 5623 Heiskell Street, Philadelphia, Pa.

FIORINI'S date of birth is shown as December 9, 1924. He was present at Germantown High School 69 days and absent 24.

The following investigation was conducted at Philadelphia, Pa., concerning FRANK ANTHONY FIORINI on July 7, 1972, by SA WILLIAM C. FIELDS, III:

Father STEPHEN INDIA, Immaculate Heart Parish, 334 East Haines Street, Philadelphia, Pa., advised that Holy Rosary School once existed on the same site, but ceased all functioning last year. Approximately the same time, Immaculate Conception School burned down and they moved into the then deserted facility once occupied by Holy Rosary.

The name FIORINI is completely unfamiliar to Father INDIA. He suggested that any records of students formerly enrolled in Holy Rosary School may be obtained at the office of Superintendent of Schools, Roman Catholic Diocese of Philadelphia, 222 North 17th Street, Philadelphia, Pa.

On July 11, 1972, attempts to locate CATHERINE PARSON, 5623 Heiskell Street, Philadelphia, Pa., met with negative results. No one in the neighborhood could recall PARSON. Review of the Philadelphia Telephone Directory was negative regarding a CATHERINE PARSON.

It was determined that on the indicated date toll calls were made to the number listed below from telephone #202-333-6575, accessible to GEORGE GORDON LIDDY:

Date	Call To

The following investigation was conducted by SA WILLIAM C. FIELDS, III, at Philadelphia, Pa.

Cole's Criss-Cross Telephone Directory for Philadelphia, Pa., shows the following telephone listings:

Philadelphia City Hall
Room 666

(215) 923-8310
Reliable Engineering Associates

Philadelphia, Pa.

Visual inspection of Room 666, Philadelphia City Hall, determined it is the main entrance for the office of Philadelphia District Attorney ARLEN SPECTER. District Attorney SPECTER is the Chairman of the Philadelphia Committee to Re-elect President NIXON. Further inquiry determined phone #686-3964 is specifically assigned to Assistant District Attorney JOHN STEINBERG.

On July 6, 1972, Mr. KEN BATIN, Security Officer, Reliable Engineering Associates, 401 Walnut Street, Philadelphia, Pa., telephone #923-8310, advised that Reliable is a "job-shop", which bids on many Federal Government contracts. The president of the company is RUFUS WILLIAMS, a prominent member of the Philadelphia Committee to Re-elect President NIXON. WILLIAMS was in Washington, D.C., on business for this committee on July 6, 1972.

On July 3, 1972, Assistant United States Attorney RICHARD R. GALLI, Eastern District of Pennsylvania, Philadelphia, Pa., prepared a subpoena directed to JAMES E. CLEE, Manager, Industrial Valley Bank (IVB), 136 West Girard Avenue, Philadelphia, Pa. The subpoena compelled CLEE to produce bank records relating to a $1,350 transaction on April 13, 1972, by teller JOHN CORBETT. The subpoena was issued by VIRGINIA DEKTOR, Deputy Clerk of the Court, United States District Court, Philadelphia, Pa.

On July 3, 1972, JAMES CLEE advised that records pertinent to the above transaction were at the main IVB and would take some several days to acquire.

On July 12, 1972, NATHAN VERBIT, 628 Artwood Drive, Philadelphia, Pa., telephone #428-8250, supplied the following information:

On or about April 13, 1972, he cashed a check at the Industrial Valley Bank (IVB), 136 West Girard Avenue, Philadelphia, Pa. The amount of the check was $1,350 and the currency received was all in $50.00 bills, not $100.00 bills.

Mr. VERBIT advised that approximately two weeks ago, thought to be on June 28, 1972, he cashed another check at IVB for $1,000 and received all $100.00 bills. He suggested that the teller he dealt with may have mistaken the two transactions and thought he obtained $100.00 bills during the first transaction and not the second.

Mr. VERBIT concluded that he still has the $100.00 bills he obtained two weeks ago.

THOMAS SKINNER, 208 North Stamford Road, was contacted and advised that he is acquainted with an ALFRED C. BALDWIN and met BALDWIN approximately four years ago at a meeting of the Society of Former Special Agents of the Federal Bureau of Investigation (FBI).

SKINNER stated that at the time of this meeting he believes that BALDWIN had recently left the FBI and was believed to be working for Adley Trucking Company as Director of Security. According to SKINNER, BALDWIN was not active in the Society of Former Special Agents of the FBI and SKINNER had no contact with BALDWIN until approximately six or seven months ago when BALDWIN contacted SKINNER telephonically for the purpose of obtaining employment with SKINNER. SKINNER did not hire BALDWIN inasmuch as he had no openings at the present time.

SKINNER advised that he could furnish no further information concerning BALDWIN or BALDWIN's activities and described BALDWIN as an individual who never found himself since he left the FBI.

GEORGE VITONE, 31 Dogwood Drive, Huntington, Connecticut, advised he was employed as a Special Agent of the Federal Bureau of Investigation (FBI) from 1955 to 1961, and is currently a member of the Society of Former Special Agents of the FBI.

Mr. VITONE advised he first met ALFRED C. BALDWIN III, in 1966 when BALDWIN joined the Society of Former Special Agents of the FBI and his only contact with BALDWIN has been through that organization. He stated he has been in contact with BALDWIN in the past at meetings of the Society of Former Special Agents, however, has not seen him for approximately one year. Mr. VITONE said to his knowledge BALDWIN lived in North Haven, Connecticut, and has had a number of jobs since leaving the FBI, however, could not furnish specific information regarding any of BALDWIN's employments. Mr. VITONE stated in his opinion BALDWIN is immature and a ne'er-do-well type person.

Mr. VITONE suggested, the following individuals who are members of the Society of Former Special Agents of the FBI in Connecticut, might be acquainted with BALDWIN:

RICHARD SIMON, Attorney, Milford, Connecticut
DONALD SHANNON, Schick Company, Milford, Connecticut

RICHARD BLACKMAN, Sergeant, Orange Police Department, Orange, Connecticut, was apprised of the identity of SA EMMETT J. MICHAELS and the nature of the interview and he furnished the following information:

Sergeant BLACKMAN advised that on January 6, 1968, he was employed as a special guard by the Adley Express Company, BULL HILL LANE, Orange, Connecticut, during the hours of 4:00 pm to12:00 midnight. At this time, Sergeant BLACKMAN advised he was using a 1966 2-door sedan ford, a police vehicle owned by the Town of Orange, as transportation.

At approximately 7:30 pm, while Sergeant BLACKMAN was upstairs in the Manager's Office, he received a telephone call from the dispatcher, Mrs. MARYANN DILLON, who advised him she was instructed by the Security Manager, Mr. ALFRED BALDWIN, to tell Sergeant BLACKMAN that he, Mr. BALDWIN, had entered his car and moved property located in the rear seat of the car to the front seat and dashboard area.

Sergeant BLACKMAN stated he notified Captain BERNARD FOYER of the Orange Police Department about the facts of the case and Captain FOYER immediately came to Adley's Express and it was decided a complaint would be made naming ALFRED BALDWIN on a charge of Tampering with a Motor Vehicle.

Sergeant BLACKMAN further advised an affidavit was sworn out on January 6, 1968, but, he was contacted by State's Attorney, ARNOLD MANKER, on January 10, 1968, who requested him to drop charges.

Sergeant BLACKMAN stated he asked BLACKMAN why he had entered his car and BALDWIN advised him he did this to show the guards, that while they were on duty any car in the Adley's Parking lot could be entered.

Sergeant BLACKMAN concluded the interview by stating he felt BALDWIN was a wise-guy who thought he was much better than the average policeman because of his former employment with the FBI.

On June 29, 1972, EDWARD S. GARDINER, 181 Lakeside Drive, Guilford, Connecticut, furnished the following information to SA ROBERT A. DUFFY:

At the outset of the interview, he stated that he and his wife did not get along with ALFRED BALDWIN because of the difficulty that he had with him as a neighbor about which information is set forth below. He noted that because of these difficulties his opinion of BALDWIN might be somewhat prejudiced.

ALFRED and GEORGIANNA BALDWIN lived next door at 195 Lakeside Drive, Guilford, for approximately two years, leaving that residence about two years ago. At the time they left, AL BALDWIN was supposedly being transferred to the Baltimore, Maryland, and Washington, D. C. area, where he did a great deal of his work. At the time they resided in Guilford, AL BALDWIN was employed by Adley Express in the security field. His work required him to travel approximately one-half of each work week. Mrs. BALDWIN also was doing baby-sitting on a part-time basis for an unknown family in Madison, Connecticut. He recalled that BALDWIN was a former Special Agent in the Federal Bureau of Investigation.

During the time that BALDWIN resided next door, they had a dispute with BALDWIN over the property line. BALDWIN put a chain link enclosure for two german shepherd dogs that he owned on some of GARDINER's property. This was brought to his attention, but he declined to move the enclosure. As a result, it was necessary for the GARDINERs to have their property surveyed. In addition to the stakes put in by the surveyor, he, GARDINER, placed two stakes near the dog enclosure to show where the actual property line was in relation to the enclosure. Before he had the opportunity to talk to BALDWIN about it, he actually saw BALDWIN move the stakes that he, GARDINER, had placed near the enclosure. BALDWIN subsequently denied moving the stakes. Because of this incident he does not have any faith in BALDWIN's truthfulness and does not like him as a person.

In addition the BALDWINs' dogs bit three children in the neighborhood and this created other problems with them. AL BALDWIN was the only one that could control the dogs.

The BALDWINs did not associate with anyone in the neighborhood and he was not acquainted with any of BALDWIN's friends or associates. He has heard that the BALDWINs are presently divorced, but is not aware of any of the circumstances surrounding the divorce.

BALDWIN did have a collection of older guns in his house in which he took pride, but that other than this he knows nothing of any hobbies or interests that BALDWIN had. He spent the majority of his free time working around his house and yard.

He also recalled that he had heard BALDWIN referred to by others, identity not recalled, as a habitual liar and one who claims to have done things that he has not actually done.

Mrs. GARDINER was present during the interview.

JACKSON advised that he had received at least one telephone call that he could remember from his sister, SALLY JACKSON HARMONY, who is a secretary for the Committee to Re-elect the President. JACKSON stated that he did not remember the exact date of the phone call, but stated that he thought there had been more than one. JACKSON advised that he did not know anyone else who worked for the Committee to Re-elect the President and that he had no personal connection with the committee. JACKSON stated that he did not know JAMES WALTER MC CORD or GEORGE GORDON LIDDY and had never had any contact with either individual.

JACKSON advised that his sister resided at 4515 Willard Avenue, Chevy Chase, Maryland, and that her home telephone number was 301-652-6807. JACKSON stated that he thought that his sister was a private secretary to an individual in the Finance Section for the Committee to Re-elect the President. JACKSON stated that he had teased his sister once before about the incident involving the National Democratic Headquarters, but that they had never discussed the matter in any way whatsoever.

JACKSON advised that he would cooperate in any way that would be helpful.

The following investigation was conducted by SA ROBERT E. HOREL:

On July 7, 1972, review of the Ohio Bell Telephone Company Directory for Nelsonville, Ohio, disclosed that telephone 753-2405 is listed to Mrs. F. R. JACKSON, 96 East Columbus, Nelsonville, Ohio.

On July 7, 1972, Chief MAX VALKINBERG, Nelsonville, Ohio Police Department advised that Mrs. R. F. JACKSON is the widow of FRANK JACKSON and that her given name is HELEN. He stated that she is an elderly woman who is very active in Republican Party affairs in the Nelsonville community.

Mr. KENNETH KINNEER, 86 East Columbus, Nelsonville, Ohio, advised on July 7, 1972, that Mrs. FRANK JACKSON is not presently at home and is not expected to return before the end of next week, July 14, 1972. Mr. KINNEER advised that Mrs. JACKSON has gone to the home of her son, ROBERT JACKSON at 527 North Columbia Avenue, Columbus, Ohio, and is expected to return at that time. It was noted that her son was recuperating from surgery. Mr. KINNEER also noted that Mrs. JACKSON is now elderly and that she has a heart condition.

On July 7, 1972, a review of the current telephone directory for Lancaster, Ohio disclosed that telephone number 653-9366 is listed to the Republican Party Headquarters, 130 East Main Street.

A review of the same directory disclosed that telephone number 653-8282 is listed to DONALD G. WOOD, 1151 Parkview Drive. Attempts to contact anyone at this address were negative on July 7 and July 10, 1972.

On July 10, 1972, DONALD G. WOOD was interviewed at his place of employment, the Anchor Hocking Glass Company, where he is Comptroller.

Mr. WOOD stated that both he and his wife are very active members of the Republican Party in Fairfield County. He noted that his wife is the director of the local Board of Elections, and is also the secretary of the Executive Committee of the county Republican organization.

He noted that inasmuch as they are both active politically as indicated above, they receive numerous telephone calls, letters and other communications regarding political matters.

He advised that he was not familiar with the Committee for the Reelection of President Nixon in Washington, D.C., nor was he acquainted, to the best of his knowledge, with any members of this organization. He noted, however, that it is quite possible that either he or his wife may have received some sort of communication from this organization possibly soliciting funds, although he could not say for sure.

Telephone number 404-874-4483 is one of the telephones abscribed to by the Davidson Kennedy Company at the above address. Mr. KENNEDY is the Finance Chairman of the Republican Party in the State of Georgia. During May of 1972, he recalls being in telephonic contact with the headquarters of the Committee for Re-election of the President at Washington, D. C. He recalls that at that time the Committee for Re-election of the President in Georgia did not have a permanent chairman and that he, KENNEDY, was assisting the committee in handling the filing of necessary forms concerning donations in compliance with recent Federal legislation. The forms were late in being filed, and communication by telephone and telegram was required with the Committee for Re-election of the President in order to get the proper forms. Mr. KENNEDY recalls placing a call to the National Headquarters of the Committee for Re-election of the President in Washington, D. C. and believes that he may have spoken with GEORGE GORDON LIDDY. Mr. KENNEDY is not personally acquainted with GEORGE GORDON LIDDY but believes that he may have spoken with him on the telephone. A call which was received from Washington, D. C., from the Committee for Re-election of the President in May, 1972, and which [illegible] the filing of the above forms was received by his secretary, and the matter was then resolved.

Mr. KENNEDY advised that he personally had no knowledge regarding the burglary of the Democratic National Committee Headquarters in Washington, D. C., other than what he had read in the papers and picked up in general conversation. He said that he was unacquainted with GEORGE GORDON LIDDY, EVERETTE HOWARD HUNT, or ALFRED CARLETON BALDWIN, III.

On July 1, 1972, GALLUP's son, ALLEN W., II, advised SA(A) WILLIAM LEE BOLTON that his father and mother were on vacation and would arrive at Baca Grande Inn, Post Office Box 126, Crestone, Colorado on Sunday, July 2, 1972, and will be there through July 8, 1972. MONTGOMERY SHEPARD, President, Berrien County Abstract and Title Company, 100 Church Street, Courthouse Square, St. Joseph, Michigan, furnished the following information:

SHEPARD stated he is the Michigan chairman of the Finance Company to Re-elect the President and is in constant contact with Washington, D. C. officials of the committee concerning the upcoming presidential election.

SHEPARD stated that G. GORDON LIDDY is Counsel of this committee and furnishes legal assistance to the committee regarding election laws. SHEPARD advised he has had no social contact with LIDDY, having only spoken to him on the telephone.

SHEPARD stated he knows nothing of the breaking and entering of the Democratic National Committee Headquarters in Washington, D. C., on June 17, 1972, other than what he read in the newspapers. SHEPARD advised he has attended three to four meetings of the committee at Washington, D. C. since the attempted breaking and entering and that subject was never spoken of. SHEPARD advised the committee would have no reason to instigate such an incident as they are very confident that President NIXON will be elected and in view of the fact that they feel the Democratic Party is being torn apart internally regarding the selection of a candidate to oppose NIXON.

SHEPARD could not recollect any specific telephone calls on or about June 7, 1972; however, he advised that he could have received a call from LIDDY at that time because there existed a June 10, 1972, deadline for a Report of Receipts of Expenditures for Federal Re-election Campaign Funds.

SHEPARD could furnish no other information.

GENERAL INVESTIGATIVE DIVISION

Summary

Attached sets forth summary of investigation conducted 7/24/72, of burglary of Democratic Party National Headquarters.

(1) DeVan Schumway, Public Relations Officer, Committee to Re-elect the President (CRP), during interview, was asked about press releases made by CRP and his knowledge of investigation. Schumway denied personal knowledge of investigation. When questioned as to press releases made regarding George Gordon Liddy being fired, he related telephone call received from Sandy Smith, Time Magazine, afternoon of 7/21/72, during which call Smith indicated he heard through source that Liddy had been fired. Schumway said he then read short prepared statement. In response to question as to where he obtained information that FBI reported results of Liddy's interview to someone higher in CRP which led to Liddy's dismissal, he stated this was presumption on his part, had nothing to back up statement and admitted it was bad error.

(2) Hugh Walter Sloan, Jr., appeared U. S. District Court with counsel and in interview stated knew nothing of Watergate incident and only dealt money out to Liddy totaling about $199,000. Detailed interview to take place later in week.

(3) George Gordon Liddy and Alfred Carleton Baldwin, III, expected to testify this week before Federal Grand Jury.

Intensive investigation continuing.

This case involves the burglary of the Democratic Party Headquarters at the Watergate Apartments, Washington, D. C., and an effort to identify an unknown subject who took 35 mm film to Rich Photos, Miami, Florida, for processing.

Visual Information Specialist Paul W. Mumford on 7/20/72 interviewed witness Michael Richardson at Rich Photos at Miami, Florida, and thereafter prepared an artist's conception, described by Rich as a very good likeness. The Miami Office made photographic prints of this drawing for their use. Mumford returned to Washington 7/21/72. Copy of drawing attached.

We cannot, nor can Jack Stewart, factually state for whom Hunt's group would be collecting information, what channels would be used to disseminate the information obtained and for what propaganda purposes the information would be used. However, we can assume based on developments in captioned matter that the entire planned operation was to be a clandestine one with the information obtained therefrom of necessity used in a similar manner apparently by certain individuals alleging to be operating on behalf of security for the Republican Party.

We know that in captioned matter Alfred C. Baldwin whose role appears to be somewhat similar to that proposed for [illegible], maintained a monitoring and lookout station in the Howard Johnson Motel across from the Democratic Party Headquarters in the Watergate. Baldwin prepared daily logs of monitored telephone conversations from the Democratic Party Headquarters and turned these logs over to McCord who he knew to be Chief of Security for the Committee to Reelect the President. At other times Baldwin also covered public demonstrations at the request of McCord to insure there was no threat to the Republican Party or the President. Baldwin reported directly to McCord as to his views concerning such demonstrations.

To date we have not been able to determine to whom McCord was responsible, although we do know that Hunt appeared

THE DEMOCRATIC CONVENTION. BARKER ASKED STEWART TO HELP SET UP, COORDINATE, AND SUPERVISE COMMUNICATIONS OF THEIR GROUP DURING THE CONVENTION. THE PRELIMINARY PLANS AS TOLD TO STEWART WERE THAT THE COMMAND POST WOULD BE SET UP IN A HOUSEBOAT OFF THE MIAMI SHORELINE.

STEWART DID NOT KNOW FROM WHERE THE FUNDS WERE COMING TO SUPPORT THE ACTIVITIES BUT GOT THE IMPRESSION THAT BARKER BELIEVED THEY WERE COMING FROM HOWARD HUNT.

STEWART ADVISED THAT HE LEFT BARKER IN MIAMI ON THE SAME DAY HE ARRIVED AND SHORTLY AFTER RETURNING TO ST. PETERSBURG, FLORIDA, HE TELEPHONICALLY CONTACTED HUNT AND ADVISED HIM HE WAS NOT INTERESTED IN THE JOB. HUNT EXPRESSED REGRETS THAT STEWART WAS NOT GOING IN WITH THEM AND FURTHER COMMENTED THAT HE WOULD HAVE TO FIND A KEY MAN.
